

# HAVEN VALENTINE

(\*A.K.A. Jinx Moore)

Haven Valentine was orphaned in their early years through the Lumian crime wars. They were adopted by a blacksmith who lived in the Vakian mountains, Oliver Moore, and his son Ciceron. After their surrogate father's passing, they joined the Arinian army under the moniker "Jinx," but soon deserted it after the army's atrocities during the Great Conquest. They now serve as the insecure but morally resolute leader of the rebellion to overthrow Emperor Alexander.

"I'm...I'm starting to believe that I died along with Alexander's empire. I have nothing left to fight for. I have nothing left to fight against. I...have nothing."	Quiet honesty, as if talking to a therapist
"We fought arm in arm against a tyrant, we bled for every human being that suffered and died under Alexander's reign, and yet YOU decide to help *Varrak?! I never should have enlisted you into the cause. <i>I can't believe I called you my family.</i> " *(Vair-ick)	Betrayed, heartbroken, seething rage on the brink of erupting but not exploding
"Sometimes...I wish I stayed dead. I wish that when Alexander cut my throat open I <i>never</i> came back. I died to save everyone, to save the empire, to save YOU...and now all of you call me...all I am...is a <i>monster.</i> "	Completely distraught, voice shaking
