

Ottie

“Well well well. If it isn’t the fun police. Don’t you guys have anything better to do than follow me around? Sheesh, you guys *really* need to get a hobby”

“What’s with you guys and all your Time Law nonsense. You act like the time space continuum will collapse in on itself whenever someone does something you don’t like.”

“(evil chuckle) What’s the matter, 3d glasses? Cat gotcha tongue?”

“I’ve got debts I’ve gotta pay. Now, if you’ll excuse me.”
