Audition Sides:

1: *(Excited, having fun with his opponent)*

Yes! That's good! Hate me just a little more! Maybe then you might actually be worth a challenge!

2: *(Triumphant, he is about to win)*

Your strategy wasn't that deep, trust me. There really wasn't much to figure out!

3: *(Taunting his opponent in an infantilizing manner)*

Don't feel so bad for losing. It's not that I'm strong or too powerful, it's just that you flat out SUCK!

4: *(At first desperate, eventually turned into ecstasy)*

I'm all out of tricks, this kid is actually going to beat me! And yet, despite that, why do I feel so *alive*, when I'm this close to death?!

5: *(Summoning his best card)*

Descend from the depths of time and cover the world with darkness!
