

Mu Murasame

Audition Sides:

1: *(Lying, trying to sell another character on teaming up)*

Come now, why can't we be friends? I scratch your back, you scratch mine. There are good people on both sides, you know.

2: *(Bragging)*

Showing off? Hah! I haven't even begun to show off! Now watch, as I go higher than any duelist has ever gone!

3: *(Overconfident)*

A wish? Hah! Who knows?! All that matters is that a person like you, or any of the other freaks in this war don't deserve such a thing!

4: *(Cowardly)*

Wait! No! I'm sorry! I know I messed up, it won't happen again, I promise! Just, please don't beat me! I wanna use that wish to...give to charity!

5: *(Summoning his best card)*

Great provider and bringer of life, cradling all within your arms! Point your wrath at those who dare tarnish your brilliance! Take root! Star Dragon of Earth, Gaia!
