

## Yasuhiro “Ratface” Tategami

### Audition Sides:

1: *(Pushing another kid around)*

The name isn't "Ratface", twerp. It's Yasuhiro! Got it? Now scram! You're cramping my style!

2: *(Flustered, someone just stood up to him)*

A jerk, huh? You know what happened to the last person that called me a jerk? He was eating out of a straw for a week! We duel tomorrow, don't be late, or else!

3: *(Mocking his opponent)*

Did you really think, YOU of all people, could beat ME and get some random strangers deck back? You're a loser! I bet daddy must be pretty disappointed with a son like you!

4: *(Making excuses)*

H-He was cheating, that's what happened! If he wasn't using cards I haven't seen before, I would have won in no time at all! And I'll prove it!

5: *(Summoning his best card)*

A future where the truly strong reign supreme! Arrive at my side and make that future a reality! Blightooth, the Rat King!!
