

## Remus Victoria

### Audition Sides:

1: *(Talking to a person in need, giving them some food)*

Remus Victoria! Remy for short! Well, I mean I'm short too but I meant- Never mind.

2: *(Ranting)*

Me? Oh I just wanna get my human body back. I may not look it or act it, but I actually can't feel much in this state! I wanna try new things like roller coasters, skydiving, swimming.. Oh! Ice Cream! I don't know what it tastes like, but it looks really pretty! I bet it would be my favorite food!

3: *(Unsure, turns into confidence)*

I know I'm nothing like the others, they're all super strong and I'm just..me. But I don't plan on just handing you victory!

4: *(Summoning her best card)*

Shooting star in the sky, celestial deity of fate! A beauty only seen once every thousand lifetimes! Arrive in light! Star Dragon of Fortuna, Tyche!
