

Robin Athuran

Audition Sides:

1: *(Taunting)*

So you're supposed to be the strongest duelist there is? Not very impressive for someone of your reputation!

2: *(Impatient)*

Yawn Can we skip the boring part already? Tell me how to beat this guy!

3: *(Pouting/making excuses)*

There will be payback for this, son of Ryuko! Next time you won't be so lucky!

4: *(Genuinely impressed, but then tries to hide it)*

"Ratface" was it? You're not half bad yourself! You forced me to actually try for a little bit!

5: *(Summoning his best card)*

Shine your rainbow colored wings, and smite my enemies with their radiance!
Soar! Birds of Paradise, Emperor Simorgh!
