

Sakura Takeyama

Audition Sides:

1: *(Commanding, trying to sound imposing)*

Onward, my minions! We have entire worlds to conquer!

2: *(Whining, pouting)*

But I don't WANT to apply myself! I want to bring back the dinosaurs!

3: *(Explaining her master plan)*

Imagine for a moment, an unstoppable army of prehistoric monsters, modified by me! They would be *invisible*! With laser eyes and cybernetic enhancements, made from metal from the moon!

4: *(Flustered, making excuses)*

I-I meant to say that! A-An army of invisible dinos! You wouldn't be able to see them! So there!

5: *(Summoning her best card, there is a messed up word, stick with it)*

The biggest, baddest, coolest monster ever! Run for your life and treble in fear!
Roar! Giantyrant Saurus Rex!
