### Audition Sides:

1: *(Playful tone)*

\*giggles\*, sorryyyy. Maybe if you were luckier, you wouldn't be a Star Dragon duelist, and I wouldn't have to kill you~!

2: *(Teasing)*

Yup! I slaughtered him like a little piggy! Watched him squirm and wiggle for his life!

3: *(Disappointed)*

You're no fun to play with anymore, I'm bored! Hades, you can finish him off now!

4: *(Sobbing to herself)*

I just...I just want him to be proud. He's my only family left...I don't want my mom I..I barely knew her...I just want my dad!!

5: *(Summoning her best card)*

Subjugate the living, ruler of the dead! Rise from the depths and take your rightful place at my side! Awaken now! Star Dragon of Pluto, Hades!
