

## Takara Kiseki

### Audition Sides:

1: *(Reluctantly accepting a challenge)*

A shame that a duel is the only way to eliminate you. I'd like to get this over as soon as possible.

2: *(Answering dismissively)*

I was waiting for the others to thin the numbers for me. It worked. Now, continue the duel.

3: *(Stoic, speaking her mind)*

The reason you lost is rather simple. You are fighting for someone other than yourself. I, however, just want to be happy.

4: *(Upset, her brother is resisting her wishes)*

You're so selfish, denying me like that! All I want is to bring you home with me! You'll have the same mom and dad, and the same friends! So why are you trying to stop me?!

5: *(Summoning her best card)*

Gathering suffering will be undone! Reverse the pain and mistakes of the past! Take flight! Star Dragon of Saturn, Kronos!
