Audition Sides:

1: *(Talking to a person in need, giving them some food)*

Here, take this. It should be enough to help you through the day.

2: *(Challenging someone trying to hurt his friend)*

You are a duelist too, are you not? Then perhaps you should let your cards do the talking.

3: *(Talking to himself, strategizing)*

Ally cards have 3 numbers. A power, a drawback, and a level. It's all coming back to me now, I can win this if I can figure out his strategy.

4: *(Lecturing, is confident he has won)*

Every card has a use, there is no such thing as a useless card. He who respects his cards will win the duel. You do not know of respect.

5: *(Summoning his best card)*

Gathering wishes will illuminate the sky! Shine on those who seek salvation! Take flight! Star Dragon of the Sun, Helios!
