Audition Sides:

1: *(Talking to a person in need, giving them some food)*

Oh! Don't mind me, I'm just taking a few pictures for school. Pretty crazy this was all caused by an electrical failure, huh?

2: *(Explaining to other characters)*

She's unable to hear or speak, so I'm signing for her. My name is Tyler.

3: *(Desperate)*

I can't lose here, even if I have to fight a Star Dragon without my own! If I lose here it's all over! I want to see her smile, just once!!

4: *(Soothing and excited)*

I don't really even want the wish, I mean, I'm living history right now! A battle between Gods. I even got to learn WHY the Greeks named their Gods the way they did! That counts for something, right?

5: *(Summoning his best card)*

Ruler of the skies, legend of legends! The time to release the wrath of heaven has come! Appear before me! Star Dragon of Jupiter, Zeus!
