

## Zack Yoshida

### Audition Sides:

1: *(Introducing himself, almost saluting)*

Zack! Zack Yoshida! At your service! And before you ask, yes, as in Hayate Yoshida.

2: *(Excited, found a best friend)*

No way, our dads were best friends? Well I think that explains a lot! We have so much in common and we get along really well!

3: *(A bit flustered, apologizing)*

Sorry about that! Dunkin can be a little hard to control when he sees donuts. I can never figure out why. The frosting is really bad for him!

4: *(Determined, rather serious)*

Kiba, do you trust me? If you follow my lead, I think I know a way out of this situation. But it's gonna seem odd at first, okay?

5: *(Summoning his best card)*

Take flight and soar across the cosmos! Widespread Singularity, Dunkelvogel!
